My dear friend Grigoriy,

I am sending you my warmest congratulations on your 75th birthday!

On this outstanding landmark, I wish you good health and the strength to find resilience and stay optimistic during these difficult times for Ukraine.

Knowing your admirable energy and unwavering spirit, I do not doubt that you will succeed in all your plans and remain a source of inspiration and hope to everyone who knows you. My thoughts are with you and your country - may peace and brighter days soon prevail for everyone.

Last but not least, I wish you many more years of happiness, fulfilment, and prosperity.

With my very best regards,

**UEFA**
